Carolyn, a few days after the spill it came to light that Freedom Industries had no local or state EPCRA plan on file:

<http://www.wvgazette.com/News/201401140023>

I've emailed our OSC staff on the ground to inquire about reporting at the site since. I haven't seen any myself - only Hotsite reports.

I know I saw this recently in r3 summaries but I can't readily find it. Do you have the facility's reporting status to state and locals under EPCRA?
